COLOUR & MONO A3 / A4 MULTIFUNCTION DEVICES

A3 MONO

## **SCX-8030ND / SCX-8040ND**

---

The MultiXpress SCX-8030ND / SCX-8040ND is a productive, space-saving B&W MFP for the modern office. It can be deployed as the primary print device in small businesses or as a workgroup machine in larger enterprises. Sharing the same user interface and integration platform as other Samsung MFPs, it allows customers to standardise on Samsung devices throughout the office.

# SCX-8030ND / SCX-8040ND

## A3 MONO MULTIFUNCTION DEVICE

30/40 PAGES PER MINUTE. NETWORK READY. DUPLEX

Samsung's first A3 mono MFP is the perfect complement to its A4 devices. The ability to output over-size A3 and create A4 booklets allows Samsung to meet customers' office printing needs in their entirety. The SCX-8030ND / SCX-8040ND has everything you would expect in a departmental device: print speeds of 40/30ppm, A3 colour scanner, 160GB hard disk and adjustable colour display. Above all, it can be integrated with enterprise applications for streamlined business processes and improved device management.

### Adjustable display

The control panel tilts and moves side-to-side for comfort and ease of use. An 8.9", colour LCD touch-screen provides easy navigation of menus. Buttons for power save and eco printing help cut toner, paper and energy use.

### Flexible paper handling

Support for larger paper sizes up to SRA3 and media up to 253gsm in weight lets you produce high impact marketing material in-house, on demand. Sophisticated finishing options include a hole punch, stapler and booklet maker.

### Simple paper loading

Large handles and adjustable paper guides ensure paper can be replenished quickly. A standard tray holds 1,040 sheets, minimising the need for user intervention and allowing long print runs to be completed without interruption.

### Intuitive 8.9in touch-screen

The touch-screen makes operation quick and easy. Pre-programme common copy jobs for no-fuss copying or use Samsung's XOA platform to customise the screen with your own branding and choice of functions, applications or workflows.

### User replaceable consumables

Quick access to user replaceable toner cartridges keeps servicing to a minimum and maximises machine uptime. LED warning lights and email alerts indicate when the imaging unit is at the end of its life and needs replacing.

Model Code		8030ND	8040ND
<b>Overview</b>	Function	Print, Copy, Scan, Fax (Option), Network, Duplex	
<b>Print</b>	Speed (A4/Letter)	30 PPM	40 PPM
	First Print Out Time	< 9 sec	< 8 sec
	Resolution	Default: Up to 600 x 600 dpi effective output(600 x 600dpi) Max: Up to 9,600 x 600 dpi effective output(600 x 600 x 4dpi)	
	Emulation	PCL5e, PCL6, Postscript3, PDF 1.7+, XPS	
	Duplex	Default	
<b>Copy</b>	Speed (A4/Letter)	30 CPM	40 PPM
	Resolution	Scan: 600 x 600dpi / Document feeder: up to 600 x 600dpi	
	First Copy Out Time	< 7 sec	< 5.5 sec
	Zoom Rate	25% ~ 400%	
	Multi Copy	9,999	
	Duplex Copy	Default	
	Copy Features	Quick Copy, Proof Copy, ID Card Copy, Poster Copy, N-up Copy, Booklet Copy, Book Copy, Copy Job Build, Covers, Edge Erase, Margin Shift, Transparency (OHP) Interleaving, Job Interrupt and etc	
<b>Scan</b>	Scan Speed (B/W)	60 ipm (colour/mono, 300 dpi, A4/Letter LEF)	
	Scan Speed (Colour)	60 ipm (colour/mono, 300 dpi, A4/Letter LEF)	
	Scan Size Document	Max A3 or Ledger	
	Compatibility	Network TWAIN	
	Method	Flatbed/DADF	
	Resolution	Optical: 600x600 dpi / Enhanced: 4,800 x 4,800 dpi (Twain driver only)	
	Scan to	E-mail, USB, FTP, SMB, HDD, WebDAV, PC	
<b>Fax</b>	Compatibility	Super G3	
	Modem Speed	33,6 kbps	
	Resolution	Standard : 203 x 98 dpi / Fine : 203 x 196 dpi / Super Fine : 300 x 300 dpi	
	Memory	HDD Back up	
	Auto Dial	Up to 500 numbers	
	Fax Feature	Speed Dial, Group, Dial, Color Fax(Send only), On-hook Dial, Auto Redial, Caller ID, Secure Reception, Polling, MailBox, Fax forwarding, Junk Fax Block List, etc.	
<b>Paper Handling</b>	Input Capacity and Types	Standard: 520 (Cassette) x 2 + 100 (MP Tray), Max: 1,140(Standard) + 2,000(High Capacity Feeder, option)	
	Output Capacity and Type	Standard: 500 (Centre Output Tray), Max: 3,250 (Booklet Finisher, option) +125(Job Separator) = 3375 sheets	
	Media Size	98 x 148 mm (3.85" x 5.83") ~ 216 x 1200 mm (8.5" x 47.2") Banner Size Printing : 216mm x 1200mm	
	Media Type	Bond, Index, Cover, Colour, Recycled, Pre-printed, Punched, Cotton, Letterhead, Transparency, Envelope, Label
